Movies Plus Additional Legal Terms

- 1. Licensed & Legal Content Only** All content delivered to Movies Plus TV must be fully licensed, legally acquired. While we do not always formally request copyright information for specific titles, please have chain of title/Clearance or other proper rights documentation readily available. Movies Plus TV does not accept public-domain content, unverified sources, or material without clear chain-of-title.
- 2. Family-Friendly Standards** Movies Plus TV is a family-friendly platform. Content must avoid explicit sexual material, graphic violence, hate speech, harassment, or any form of abusive or harmful behavior. Movies Plus TV reserves the right to decline or remove content that does not align with these standards.
- 3. Partner Channel Requirements** Each partner channel should provide:
 - A short, accurate description of the channel and its programming.
 - 16×9 channel artwork (jpg/png) that is clear, professional, and free of misleading imagery.
 - Confirmation that all submitted content complies with copyright and distribution laws.
 - No unauthorized logos, trademarks, or third-party branding. *Note: Partners agree not to use Movies Plus TV branding in any misleading or unauthorized promotional materials.*
 - Your HLS or VOD streaming URL.
 - Content Removal & Platform Rights; Movies Plus TV may remove or disable access to any content that violates legal standards, partner agreements, or platform policies. Partners will be notified of any compliance issues and may be required to provide updated documentation.
- 4. Indemnification** Partners agree to indemnify and hold Movies Plus TV harmless from any claims, disputes, or legal actions arising from content they submit, including copyright, trademark, or licensing violations.
- 5. Updates & Policy Changes** Movies Plus TV may update these terms as needed to maintain legal compliance, platform safety, and content quality. Continued use of the platform constitutes acceptance of updated terms.
